Power of India's Only Semi Forward Control Medium Duty Truck - TATA SE 1613

Available in SFC Cabin and Cowl options in the following Wheelbase/Deck length configuration: 4225/15.5ft

Construction Agg.	Packed LPG	MLO	POL Tanker	Timber	Edible Oil/Milk/ Water Tanker	Municipal	Industrial Goods	Agri Produce
-------------------	------------	-----	------------	--------	----------------------------------	-----------	------------------	--------------

- **Tata 697 Cri6 5.7 l engine** with precise compression ratio for best-in-class power, pickup and torque | Refined BOSCH HPCR and Wastegate Turbocharger | Venturi combo oil filter for higher engine life, lower resistance to oil viscosity, parasitic loss removal, higher removal of oil contaminants through higher flow rate using venturi nozzle and higher dust efficiency | Reduced maintenance cost with TMGO
- **Trusted Tata G600 (FGR: 9.19) and proven RA 109 RR (RAR: 5.57)** | Clinically designed gear ratios and final drive deliver superior fuel mileage with optimised wheel traction and excellent gradeability (26%) | Reduced maintenance cost with TMGO
- **Shorter front and rear overhang** with higher approach and departure angles | Superior uphill and downhill gradient negotiation and loaded stability on winding roads
- **Semi Forward Control Cabin** option with RH & LH Marker Pole and Normal Vision, wide angle & proximity mirrors for enhanced driving safety in hilly terrain | Adjustable driver bucket seat and co-diver bench seat with Vinyl/Melba fabric upholstery | Better NVH
- **Cooled EGR emission control with POC & DOC** - Easy to maintain | Low Cost | Efficient
- Best-in-industry durability, reliability and running performance
- Fully built Water Tanker, Recovery Van, Dumper Placer available on order
